Topics in Asset Pricing

Swedish House of Finance, Stockholm School of Economics, January 17 - March 4, 2019

Instructor: Riccardo Sabbatucci, Adrien d'Avernas, Paolo Sodini, Tomas Bjork, Jungsuk Han, Vincent Maurin & Michael Halling (SSE)

2018:

Empirical Asset Pricing II

Norwegian School of Economics, August 20-22 & December 11-12, 2018

Instructor: Lars A. Lochstoer (UCLA Anderson School of Management)

Advanced Topics in Behavioral Finance

Graduate School of Finance / Aalto University School of Business, August 15-17, 2018

Instructor: Harrison Hong (Columbia University)

Summer School on Market Microstructure

Stockholm Business School, June 25-29, 2018

Instructor: Thierry Foucault (HEC Paris) and Albert Menkveld (Vrije Universiteit Amsterdam)

Special Topics in Corporate Finance

Norwegian School of Economics, June 18-21, 2018

Instructor: Jonathan M. Karpoff (Foster School of Business, University of Washington)

Empirical Corporate Finance

Graduate School of Finance / Aalto University School of Business, June 4-8, 2018

Instructor: Renée Adams (University of New South Wales)

Econometric Foundations for Finance

Nord University, May 22-23 & August 20-26, 2018

Instructor: Francisco Santos (NHH) & Paul Söderlind (University of St.Gallen)

Behavioral Finance

Graduate School of Finance / Aalto University School of Business, May 21-25, 2018

Instructor: Markku Kaustia (Aalto University School of Business)

FinTech and Blockchains

Swedish House of Finance, Stockholm School of Economics, May 16-17, 2018

Instructor: David Yermack (NYU Stern)

Industrial Organization and Corporate Finance

Swedish House of Finance, Stockholm School of Economics, May 14-15, 2018

Instructor: Kristine Hankins (University of Kentucky)

Household Finance

Knut Wicksell Centre for Financial Studies, Lund University, April 30, May 2-4, May 7-9, 2018

Instructor: Kaveh Majlesi (Lund University & KWC)

Topics in Empirical Asset Pricing

Graduate School of Finance / Aalto University School of Business, April 9-12, 2018

Instructor: Tarun Chordia (Emory University)

Factor Models in Empirical Asset Pricing

Swedish House of Finance, Stockholm School of Economics, March 5-9, 2018

Instructor: Peter Schotman (Maastricht University)

2017:**Workshop in Advanced Empirical Asset Pricing**

Norwegian School of Economics, Part I: 21, 22, 23 August 2017, Part II: 11, 12 December 2017

Instructor: Lars Lochstoer (UCLA Anderson School of Management)

Numerical Methods in Finance and Economics

BI Norwegian Business School, Part 1: 5.-6.10.2017, Part 2: 19.-20.10.2017, Part 3: 2.-3.11.2017 & Part 4: 23.-24.11.2017

Instructor: Espen Henriksen (BI Finance) and Alfonso Irarrazabal (BI Economics)

Financial Markets and Alternative Investments

Graduate School of Finance / Aalto University School of Business, September 4-8, 2017

Instructor: Matti Suominen (Aalto University)

Climate Finance

Graduate School of Finance / Aalto University School of Business, August 16 - 18, 2017

Instructor: Harrison Hong (Columbia University)

Doctoral Seminar in Finance: What they do not teach you in Graduate School

Graduate School of Finance / Aalto University School of Business, August 7-11, 2017

Instructor: Utpal Bhattacharya (Hong Kong University of Science and Technology)

Empirical Asset Pricing

Nord University, June 19-23, 2017

Instructor: Turan Bali (Georgetown University, USA)

Empirical Corporate Finance

Graduate School of Finance / Aalto University School of Business, June 5-9, 2017

Instructor: Renée Adams (University of New South Wales)

Household Finance

Knut Wicksell Centre for Financial Studies, Lund University, May 2-12, 2017

Instructor: Kaveh Majlesi (Lund University & KWC)

Topics in Empirical Asset Pricing

Graduate School of Finance / Aalto University School of Business, January 30 - February 2, 2017

Instructor: Doron Avramov (The Hebrew University of Jerusalem)

2016:**Empirical Asset Pricing I**

Norwegian School of Economics, Jan 28-29, Feb 25-26, Mar 17-18, Apr 21-22, 2016

Instructor: Bernt Arne Ødegaard (University of Stavanger and NHH)

PhD Winter School in Empirical Research Methods

BI Norwegian Business School (In cooperation with Saint Gallen), Part I: 11-15 January, 2016;

Part II: 18-22 January, 2016

Instructor: Several instructors

Topics in Empirical Asset Pricing

Graduate School of Finance / Aalto University School of Business, January 25 - 28, 2016

Instructor: Doron Avramov (The Hebrew University of Jerusalem)

Characterisation of the Volatility Surface: Existence, Models, Asymptotics

Aarhus University, March 31 and April 1, 2016

Instructor: Antoine Jacquier (Imperial College London)

Topics in Market Microstructure

Stockholm Business School, March 7-11, 2016

Instructor: Patrik Sandås (University of Virginia, McIntire School of Commerce)

Empirical Corporate Finance

Graduate School of Finance / Aalto University School of Business, June 2-4 (Saturday) and June 6-7, 2016

Instructor: Renée Adams (University of New South Wales)

Financial Market Microstructure

Norwegian School of Economics, June 6-7, 2016

Instructor: David Easley and Maureen O'Hara (both Cornell University)

Lectures in Theoretical Banking

University of Gothenburg, June 13-17, 2016

Instructor: Anjan Thakor (Washington University in St Louis)

Behavioral Finance

Graduate School of Finance / Aalto University School of Business, June 27 - July 1, 2016

Instructor: Markku Kaustia (Aalto University)

Advanced Topics in Behavioral Finance

Graduate School of Finance / Aalto University School of Business, August 10-12, 2016

Instructor: Harrison Hong (Princeton University)

Corporate Finance: Creative Empirics

Swedish House of Finance, Stockholm School of Economics, August 29 - September 1, 2016

Instructor: Alexander Ljungqvist (NYU Stern)

Identification Strategies in Finance

Norwegian School of Economics, August 22, 24-25, 2016

Instructor: Murillo Campello (Cornell University)

Empirical Asset Pricing

Norwegian School of Economics, September 14-16 and December 8-9, 2016

Instructor: Lars Lochstoer (Columbia University)

Continuous Time Finance

Swedish House of Finance, Stockholm School of Economics, November 30 – December 8, 2016

Instructor: Tomas Björk (SSE)

Empirical Finance

Copenhagen Business School, November 10, 2016 – January 27, 2017

Instructor: Bernt Arne Odegaards (University of Stavanger)

2015:**Continuous Time Finance**

Swedish House of Finance, Stockholm School of Economics, November 30-December 10, 2015

Instructor: Tomas Björk (SSE)

Empirical Asset Pricing II

Norwegian School of Economics, August 17-19, December 10-11, 2015

Instructor: Lars Lochstoer (Columbia University)

Empirical Macro-Based Asset Pricing

Swedish House of Finance, Stockholm School of Economics, June 8 - 11, 2015

Instructor: Mikhail Chernov (UCLA)

Empirical Corporate Finance

Graduate School of Finance / Aalto University School of Business, June 9 -13, 2015

Instructor: Renée Adams (University of New South Wales)

Empirical Asset Pricing I

Norwegian School of Economics, January 15-16, February 12-13, March 26-27, April 23-24, 2015

Instructor: Bernt Arne Ødegaard (University of Stavanger and NHH)

Industrial Organization and Corporate Finance: Theory, Policy and Empirics

Lund University, March 9-13, 2015

Instructor: Lars Persson and Martin Olsson (IFN)

Topics in Empirical Banking

Graduate School of Finance / Aalto University School of Business, August 31 - September 4

Instructor: Steven Ongena (University of Zurich and Swiss Finance Institute)

2014:**Understanding and Managing Model Risk**

Aarhus University, January 14, 2014

Instructor: Massimo Morini (IMI Bank of Intesa San Paolo)

Lectures on Capital Requirements, Credit Risk, Collateral and Centralized Clearing - Avoid Losing Billions in Fines While Running your CVA Calculations on an iPad Mini

Aarhus University, January 15-16, 2014

Instructor: Leif Andersen (Bank of America Merrill Lynch) and Jesper Andreasen (Danske Bank)

Multifractal Analysis and Rare Events

Swedish House of Finance, Stockholm School of Economics, March 25 - 27, 2014

Instructor: Laurent Calvet (HEC, Paris)

Empirical Corporate Finance

Graduate School of Finance / Aalto University School of Business, June 9-13, 2014

Instructor: Renée Adams (University of New South Wales)

Behavioral Finance

Graduate School of Finance / Aalto University School of Business, August 4 - 8, 2014

Instructor: Harrison Hong (Princeton University)

Financing Startups

Swedish House of Finance, Stockholm School of Economics, August 19 - 21, 2014

Instructor: David T. Robinson (Duke University)

Workshop in Empirical Asset Pricing

Norwegian School of Economics, December 8 - 12, 2014

Instructor: Lars A. Lochstoer (Columbia University)

2013:**Understanding Financial Regulation**

Swedish House of Finance, Stockholm School of Economics, October 8 - 10, 2013

Instructor: Amit Seru (Chicago Booth)

Empirical Research in Corporate Finance

Norwegian School of Economics, August 19 - 21 and 24 - 25, 2013

Instructor: B. Espen Eckbo (Dartmouth College)

PhD Seminar in Financial Frictions

Copenhagen Business School, August 21 - 23, 2013

Instructor: David Lando, Lasse H. Pedersen and Annette Vissing-Jørgensen

The Financial Economics of Entrepreneurship, Private Equity and Venture Capital

Graduate School of Finance / Aalto University School of Business, August 19 - 23, 2013

Instructor: David Robinson (Duke University)

Empirical Asset Pricing

Norwegian School of Economics, August 12 - 16, 2013

Instructor: Lars A. Lochstoer (Columbia University)

Empirical Corporate Finance

Graduate School of Finance / Aalto University School of Business, June 3 - 7, 2013

Instructor: Renee Adams (University of New South Wales)

PhD Mini-course on Empirical Option Pricing

Stockholm School of Economics / Swedish Doctoral Course Program in Finance, May 14 - 16, 2013

Instructor: Mikhail Chernov (LSE)

PhD and Advanced Masters Mini-Course: An Introduction to Bank Risk Management

Fric - Centre for Financial Frictions, Copenhagen Business School and Danish National Research Foundation, May 13 - 17, 2013

Instructor: Joe Langsam (Center for Financial Policy, Smith School of Business)

PhD Mini-Course on Industrial Organization and Corporate Finance: Theory and Policy

Knut Wicksell Centre for Financial Studies at Lund University and the Research Institute of Industrial Economics (IFN), February 25 - March 1, 2013

Instructor: Lars Persson and Joacim Tåg (Research Institute of Industrial Economics)

2012:**Forecasting Methods in Economics and Finance**

Aarhus University, August 22 - 24, 2012

Instructor: Allan Timmermann

Behavioral Finance

Graduate School of Finance / Aalto University School of Business, August 20 - 24, 2012

Instructor: Harrison Hong (Princeton University)

Economic Modelling and Inference

Aarhus University, August 13 - 17, 2012

Instructor: Bent Jesper Christensen

Advanced Asset Pricing

The Danish Doctoral School of Finance, end of June 2012 (week 26)

Instructor: Nicole Branger (Finance Center Münster, Universität Münster)

PhD Course on Credit Modelling

Aarhus University, May 24 - 25, 2012

Instructor: Damiano Brigo (King's College London)

Empirical Corporate Finance

Graduate School of Finance / Aalto University School of Business, May 21 - 25, 2012

Instructor: Renée Adams (University of South Wales)

The Mini PhD Course on Dynamic Principal Agent Models: A Continuous Time Approach

Stockholm School of Economics, April 23 - 27, 2012

Instructor: Sebastian Pfeil (University of Frankfurt) and Florian Hoffmann (University of Frankfurt)

2011:**Commodities and Commodity Derivatives**

Aarhus University, January 27 - 28, 2011

Instructor: Helyette Geman

Asset Pricing II

Danish Doctoral School of Finance, Copenhagen Business School, Spring 2011, starting February 21, 2011

Instructor: Bjarne Astrup Jensen, Rolf Poulsen and Uwe Wystup

Empirical Corporate Finance

Graduate School of Finance / Aalto University School of Business, May 9 - 13, 2011

Instructor: Renée Adams (University of South Wales)

PhD Course on Banking

BI Norwegian Business School, NHH Norwegian School of Economics and Business Administration, June 6 - 10, 2011

Instructor: Charlotte Ostergaard (BI) and Lucy White (Harvard Business School)

Capital Structure and Credit Risk

Norwegian School of Economics, August 1 - 12, 2011

Instructor: Kristian R. Miltersen

Corporate Finance Theory

Norwegian School of Economics, August 1 - 12, 2011

Instructor: Dirk Hacbarth (University of Illinois)

Empirical Asset Pricing

Norwegian School of Economics and Business Administration, August 15 - 19, 2011

Instructor: Lars Lochstoer (Columbia University)

The Interaction of Industrial Organization and Finance

Graduate School of Finance / Aalto University School of Business, August 22 - 26, 2011

Instructor: Gordon Phillips (University of Maryland)

Intensive PhD Course on Economic Modeling and Inference

Aarhus University, August 22 - 26, 2011

Instructor: Bent Jesper Christensen (Aarhus University)

PhD Course on Real Options

Aarhus University, August 24 - 26, 2011

Instructor: Lenos Trigeorgis

Market Microstructure

BI Norwegian Business School Oslo, December 11 - 15, 2011

Instructor: Carol Osler (Brandeis International Business School, Brandeis University) and Geir Høidal Bjønnes (BI)

Topics in Corporate Finance

Norwegian School of Economics, December 12 - 22, 2011

Instructor: B. Espen Eckbo (Tuck School of Business) and Trond E. Olsen (NHH)

2010:**Topics in Corporate Finance**

Norwegian School of Economics and Business Administration, December 6 - 17, 2010

Instructor: B. Esben Eckbo (Tuck School of Business) and Trond E. Olsen (NHH)

Finite Difference Methods for Finance Problems

The Danish Doctoral School of Finance, Copenhagen Business School, October 6 - 8, 2010

Instructor: Jesper Andreasen (Danske Bank)

Empirical Corporate Finance

Stockholm School of Economics, October 4 - 8, 2010

Instructor: Effi Benmelech (Harvard University and NBER)

Dynamic Asset Allocation

Aarhus University, August 16 - 20, 2010

Instructor: Claus Munk (Aarhus University)

Economic Modeling and Inference

Aarhus University, August 9 - 13, 2010

Instructor: Bent Jesper Christensen (Aarhus University)

Household Finance

Graduate School of Finance / Aalto University School of Business, July 26 - 30, 2010

Instructor: Luigi Guiso (European University Institute)

Thirty Unanswered Questions in Corporate Finance

Copenhagen Business School, June 7 - 11, 2010

Instructor: Randall Morck (University of Alberta)

Empirical Corporate Finance

Graduate School of Finance / Aalto University School of Business, May 24 - 28, 2010

Instructor: Renee Adams (University of Queensland)

Advanced Methods for the Economics of Risk and Time

Norwegian School of Economics and Business Administration, May 3 - 11, 2010

Instructor: Miles Kimball (University of Michigan)

Advanced Academic Writing

Aarhus University, March 1 - 2, 2010

Instructor: Eelko Huizingh (University of Groningen)

Stochastic Processes in Financial Applications

Aarhus University, January 19 - 20, 2010

Instructor: Dilip B. Madan (University of Maryland)

2009:**Topics in Corporate Finance**

Norwegian School of Economics and Business Administration, November 9 - 20, 2009

Instructor: B. Esben Eckbo (Tuck School of Business) and Trond E. Olsen (NHH)

Valuation of Derivatives

BI Norwegian School of Management, April 20 - 24, 2009

Instructor: Richard C. Stapleton (University of Manchester)

Empirical Corporate Finance

Graduate School of Finance / Helsinki School of Economics, June 8 - 12, 2009

Instructor: Renee Adams (University of Queensland)

Credit Risk and Bubbles

Aarhus University, June 25 - 26, 2009

Instructor: Robert A. Jarrow (The Johnson School, Cornell University)

Market Microstructure

Graduate School of Finance / Helsinki School of Economics, August 3 - 7, 2009

Instructor: Patrik Sandås (University of Virginia)

Doctoral Seminar in Empirical Finance

Norwegian School of Economics and Business Administration, August 12 - 14, August 17 - 18, 2009

Instructor: Lars Lochstoer (Columbia University)

2008:**Quantitative Risk Management: Modelling Dependence in Market and Credit Risk**

The Danish Doctoral School of Finance, Henning Bunzel, Dept. of Economics, University of Aarhus, January 28 - 31, 2008

Instructor: Alexander J. McNeil (Heriot-Watt University)

Asset Pricing 2

The Danish Doctoral School of Finance, Copenhagen Business School, February 7 - 8, 2008 (BAJ), February 21 - 22, 2008 (BAJ), March 6 - 7, 2008 (RP), March 27 - 28, 2008 (RP), April 10 - 11, 2008 (RP)

Instructor: Bjarne Astrup Jensen and Rolf Poulsen

Corporate Finance

The Danish School of Finance and University of Aarhus, April 28 - May 2, 2008

Instructor: Jay Ritter (University of Florida)

Empirical Corporate Finance

Graduate School of Finance / Helsinki School of Economics, April 17 - 23, 2008

Instructor: Renee Adams (University of Queensland)

Experimental Finance

Graduate School of Finance / Helsinki School of Economics, August 4 - 8, 2008

Instructor: John List (University of Chicago)

Doctoral Seminar in Empirical Finance

Norwegian School of Economics and Business Administration, August 14 - 15 and August 18 - 22, 2008

Instructor: Lars Løchstøer (London Business School)

Financial Intermediation

University of Aarhus, September 1 - 5, 2008

Instructor: Mark Flannery (University of Florida)

2007:**Mini-course on Extreme Value Theory**

Norwegian School of Economics and Business Administration, January 8 - 12, 2007

Instructor: Laurens de Haan (Erasmus University Rotterdam)

The Theory of Institutions

Norwegian School of Economics and Business Administration, April 16 - 27, 2007

Instructor: Tore Ellingsen (Stockholm School of Economics)

Financial Planning under Uncertainty

University of Copenhagen, June 4 - 11, 2007

Instructor: Hercules Vladimirov

Empirical Corporate Finance

Graduate School of Finance / Helsinki School of Economics, June 7 - 8, 2007 and June 11 - 13, 2007

Instructor: Renee Adams (University of Queensland)

Financial Modelling with Jump Processes

The Danish Doctoral School of Finance, Copenhagen Business School

Instructor: Rama Cont (Columbia University)

Behavioral Finance

Graduate School of Finance / Helsinki School of Economics, August 6 - 10, 2007

Instructor: Hersh Shefrin (Santa Clara University)

Doctoral Seminar in Empirical Finance

NHH, August 14 - 17 and September 11 - 14, 2007

Instructor: Lars A. Løchstøer (London Business School)

Empirical Finance

Norwegian School of Management, BI, November 26 - 30, 2007

Instructor: Richard Priestley (BI) and Øyvind Norli (BI)

PhD Course in Corporate Finance
