

CALL FOR PAPERS

Young Scholars Nordic Finance Workshop

November 26-27, 2026 Bergen, Norway

Norwegian School of Economics and the Nordic Finance Network (NFN) are organizing the 15th Finance Workshop for young scholars from Nordic universities on November 26-27, 2026 in Bergen. The workshop offers junior Finance faculty from Nordic universities a forum to present their research. In addition, the workshop aims to provide an opportunity for junior and senior faculty to meet and interact.

Theoretical and empirical papers in all areas of finance are welcome, but the presenting author must have graduated after 2020 and must be non-tenured. Please note that we only accept one submission per person.

The submission is also open for Finance PhD students entering the international job market (e.g. FMA, AFA, AEA and European Job Market) in 2026-27. We strongly encourage those students to submit their job market paper. Please indicate this in your submission email. The workshop offers a possibility to present job market papers, get feedback, guidance, and interact with Finance faculty. In addition, we plan to organize mock interviews to prepare students for the job market.

While only young scholars (PhD after 2020) and PhD students entering the international job market in 2026-27 round can submit papers, the workshop is open to faculty, post-docs, and PhD students from all Nordic universities. If you wish to attend the workshop as a participant and/or would like to offer to be a discussant, please send an email to nfn@aalto.fi.

The workshop will start late morning on Thursday, November 26th, and run until early afternoon on Friday, November 27th. The workshop format will be paper presentations, followed by a discussion. There will be a workshop dinner on Thursday evening.

There is no workshop fee. Traveling expenses and accommodation of presenting authors, chairs, and discussants will be covered by the organizers.

Papers will be selected based on a review by the Program Committee. The submission deadline is **October 7th, 2026**. Please submit your paper in PDF format by e-mailing it with "NFN Young Scholars Workshop" in the subject line to nfn@aalto.fi. Authors will be notified of the Program Committee's decision by the end of October, 2026. Further information about the workshop and the NFN can be found here (<https://nfn.aalto.fi/workshops/>).
